

Shaw Blades, Dance With Me

Dance with me
I want to be your partner
Can't you see?
The music is just starting
Night is falling, and I am calling
Dance with me

Fantasy,
Could never be so thrilling
I feel free
I hope that you are willing
Pick your feet up and pick your feet up
Dance with me.

Let it lift you off the ground
Starry eyed, and love is all around us
I can take you where you want to go
Ohhhhhhhhh

Dance with me
I want to be your partner
Can't you see?
The music is just starting
Night is falling, and I am calling
Dance with me

Let it lift you off the ground
Starry eyed and love is all around us
I can take you where you want to go
Ohhhhhhhhhhhhhhh

Dance with me
I want to be your partner
Can't you see?
The music is just starting
Night is falling, and I am calling
Dance with me
So all the world can see
(That you) dance with me.
