Shawn Mendes, Monster (ft. JUSTIN BIEBER)

you put me on a pedestal
and tell me i am the best
raise me up in the sky
until i am short of breath
fill me up with confidence
i say what's in my chest
spill my words and
tear me down until
there's nothing left
rearrange the pieces just
to fit me with the rest

but what if i
what if i trip
what if i
what if i fall
then am i the monster
just let me know
what if i
what if i sin
what if i
what if i break
then am i the monster
just let me know, yeah

i was 15 when the world put me on the pedestal
i had big dreams of doing shows
and makink memories
made some bad movs
trying to act cool upset by their jealously
lifting me up
lifting me up, yeah
and tearing me down
and tearing me down, down, down
take responsibility for everything i've done
holding it against me
like you're the holy one
i had a chip on my shoulder
had to let it go
cause unfrogiveness keeps tchem in control
i came in with good intentions
then i let it go
and now i really wanna know

but what if i
what if i trip
what if i
what if i fall
then am i the monster
just let me know
what if i
what if i sin (ohhhh)
what if i
what if i break (yeah)
then am i the monster
just let me know, yeah

(Please, don't let me fall) /2x
