

# Sheena Easton, Sugar Walls

Where I came from there's a place called heaven  
That's the place where all the good children go  
The houses are of silver, the streets are gold  
But there's more where you come from, my sugar walls

Blood races to your private spots, that lets me know there's a fire  
You can't fight passion when passion is hot  
Temperatures rise inside my sugar walls

Chorus:  
Lemme take you somewhere you've never been  
I could show you things you've never seen  
I could make you never wanna fall in love again  
Come spend the night inside my sugar walls

Take advantage, it's alright

I feel so alive when I'm with you  
Come and feel my presence, it's reigning tonight  
Heaven on earth inside my sugar walls

chorus

I can tell you want me, it's impossible to hide  
Your body's on fire, admit it! Come inside  
Come inside my sugar walls  
Come spend the night inside my sugar walls
