

# Sheena Easton, Take My Time

When I was young, people used to say  
Someday the right one will come your way  
Could be tomorrow, could be today  
But when he does, you'll know it right away, till then I'll

Chorus:

Take my time, lookin' for the right one, I need a lover that stays around  
I'm gonna take my time, lookin' for the right one  
I need somebody to tie me down

And so I waited patiently, will it be like my fantasy  
The only problem I can't foresee, will I find him or will he find me  
And if he does, will he understand, that I've the future already planned  
And I'll do everything that I can  
Won't take no chances, won't show my hand, I'm gonna

chorus

Oooh, I need a lover, oooh, to tie me down, oooh, I need a lover around

(Instrumental break)

I'm gonna....

(chorus repeats out
