Baby, baby  
You must be \_ when I gone

Baby, baby  
I don?t like to be alone  
No!

Baby, baby  
You must be \_ - when I gone  
I promise you  
My love is true  
I promise you  
My love is true  
I promise you  
My love is true  
I promise you  
My love is true
