

Sheila E., A Love Bizarre

A-B-A-B-C-D-

The moon up above
it shines on upon our skin

Whispering words that scream of outrageous sin
We all want the stuff that's found in our wildest dreams

It gets kinda rough in the back of our limousine

That's what we are
we all want a love bizarre
That's what we are
we all want a love bizarre

A strawberry mind
a body that's built for two

A kiss on the spine
we do things we never do
Swallow the pride and joy of the ivory tower

We'll dance on the roof
make love on a bed of flower
That's what we are
we all want a love bizarre

The moon up above
it shines on upon our skin

That's what we are
we all want a love bizarre
That's what we are
we all want a love bizarre
