Sheila E., A Love Bizarre

A-B-A-B-C-D-

The moon up above it shines on upon our skin

Whispering words that scream of outrageous sin We all want the stuff that's found in our wildest dreams

It gets kinda rough in the back of our limousine

That's what we are we all want a love bizarre That's what we are we all want a love bizarre

A strawberry mind a body that's built for two

A kiss on the spine we do things we never do Swallow the pride and joy of the ivory tower

We'll dance on the roof make love on a bed of flower That's what we are we all want a love bizarre

The moon up above it shines on upon our skin

That's what we are we all want a love bizarre That's what we are we all want a love bizarre
