

SheMoans, Supergirl

Look at me baby, I'm ready for tonight
It's gone little crazy, let's paint the town
Tight jeans and high heels, get ready to go wild
If you with me now put your hands up high

Supergirl
Sing with me ladies
Supergirl
Put you hands up high

Beauty queen ready to be seen,
Soldiers look at me now,
It's time to party
I'm on top, never stop
until you love me all,
Everybody
I'm on top never stop
I'm here to be the one
To be somebody, be somebody

Look at me baby, this night belongs to me
Just come here and maybe you gonna see
Blue eyes and blond curls so ready to go wild
If you with me now put your hands up high

Supergirl
Sing with me ladies
Supergirl
Put you hands up high

Beauty queen ready to be seen,
Soldiers look at me now,
It's time to party

I'm on top, never stop
until you love me all,
Everybody x 2
I'm on top never stop
I'm here to be the one
To be somebody, be somebody
