

Sheryl Crow, A Change Would Do You Good

Ten years living in a paper bag
Feedback baby, he's a flipped out cat
He's a platinum canary, drinking falstaff beer
Mercedes Ruehl in a rented Lear
Bottom feeder, insincere
Profit low-fi pioneer
Sell the house and go to school
Get a young girlfriend, daddy's jewel

A change (a change'd do you good) would do you good
(A change'd do you good)
I think a change (a change'd do you good) would do you good
(A change'd do you good)

God's little gift is on the rag
Poster girl person in a fashion mag
Canine, feline, Jekyll and Hyde
Ya wear your fake fur on the inside
Queen of South Beach, aging blues
Dinner's at six, wear your cement shoes
I thought you were singing your heart out to me
Your lips were syncing and now I see

A change (a change'd do you good) would do you good
(A change'd do you good)
I think a change (a change'd do you good) would do you good
(A change'd do you good)

"[Interlude]"

A change (a change'd do you good) would do you good
(A change'd do you good)
I think a change (a change'd do you good) would do you good
(A change'd do you good)

Chasing dragons with plastic swords
Jack-off Jimmy everybody wants more
Scully and Angel on the kitchen floor
And I'm calling Buddy on the Ouija board
I've been thinking 'bout catching a train
Leave my phone machine by the radar range
"Hello it's me, I'm not at home,
If you'd like to reach me, leave me alone"

I think a change (a change'd do you good) would do you good
(A change'd do you good)

"Hello it's me, I'm not at home,
If you'd like to reach me, leave me alone"

I think a change (a change'd do you good) would do you good
(A change'd do you good)
I think a change (a change'd do you good) would do you good
(A change'd do you good)
Oh I think a change (a change'd do you good) would do you good
(A change'd do you good)
Oh I think a change (a change'd do you good) would do you good
(A change'd do you good)
