

# Sheryl Crow, Can't Cry Anymore

Took your car  
Drove to Texas  
Sorry, honey  
But I suspected we were through  
And I can't cry anymore  
Since I left  
Been feelin' better, cause that's  
What you get when you  
Stay together too long  
And I can't cry anymore

[Chorus]  
Wouldn't it be good if  
we could hop a flight to anywhere  
So long to this life  
So much for pretending  
Bad luck's never-ending  
And now I know that

Money comes in  
But the fact is  
There's not enough to  
Pay my taxes  
And I can't cry anymore  
Well, got a brother  
He's got real problems  
Heroin - no  
There's just no stopping him tonight  
And I won't cry anymore

[Chorus]  
It's never ending  
  
It could be worse  
I could've missed my calling  
Sometimes it hurts  
But when you read the writing on the wall  
Can't cry anymore

[Chorus]  
  
And too much time I've been spending  
With my heart in my hands  
Waiting for time to come and mend it  
  
I can't cry anymore
