## Sheryl Crow, I Shall Believe

Come to me now And lay your hands over me Even if it's a lie Say it will be alright And I shall believe

I'm broken in two And I know you're on to me That I only come home When I'm so all alone But I do believe

That not everything is gonna be the way You think it ought to be It seems like every time I try to make it right It all comes down on me Please say honestly you won't give up on me And I shall believe And I shall believe

Open the door And show me your face tonight I know it's true No one heals me like you And you hold the key

Never again would I turn away from you I'm so heavy tonight But your love is alright And I do believe

That not everything is gonna be the way You think it ought to be It seems like every time I try to make it right It all comes down on me Please say honestly You won't give up on me And I shall believe I shall believe
