

Sheryl Crow, It's Only Love

I think I met my match again
Standing round the candlelight
In the middle of this blizzard
You stood and melted all the ice o

[CHORUS:]
It's only love
It's only love

If only love comes round again
It will have been
Worth the ride o
You were master of so many
Savior to none
I waged all of my hopes so plenty on you
Now look what I've become

[CHORUS]

Sometimes lonely is not only a word
But faces I have known
And if you see me could you free me with a smile
So I can let go

[CHORUS]
