

# Sheryl Crow, It's So Easy

All I want to know  
Is when you go  
Do you think of me  
Cause I could let you go  
But there'd be a hole  
Where my heart used to be o

## CHORUS:

It's so easy holding you near  
I could melt in your arms and disappear  
Loving you baby is breaking my heart tonight  
It's so easy but it isn't right o I saw you today  
You walked away  
And I couldn't breathe  
Cause I know how it will feel  
It's a love so real  
When you're touching me

## CHORUS

Every night I lay here alone  
After you leave me and go home  
She doesn't know that we can't let go  
And it's hurting me so

## CHORUS

Baby it's so easy
