

Sheryl Crow, No One Said It Would Be Easy

It's obvious the trouble we're in
When your father pulls up in a Mercedes Benz
He says he just happened to be in the neighborhood
But before he leaves he slips the landlord the rent
You say, "It's just a question of eliminating
obstacles";
As you throw your dinner out the kitchen door
You say, "I know how you try";

But honey, let's eat out tonight

[Chorus]
No one said it would be easy
But no one said it'd be this hard
No one said it would be easy
No one thought we'd come this far

You can't seem to ever fold up a shirt
I bring it up and you think I'm a jerk
But I think we're here to stay
I can't imagine it any other way

[Chorus]

Sometimes I wonder who he's picturing
When he looks at me and smiles

[Chorus]

Oh, and look we've come this far
