## Shinedown, The Crow And The Butterfly

I painted your room at
Midnight, so I'd know
Yesterday was over
I put all your books
On the top shelf,
Even the one with
The four leaf clover
Man, I'm getting older
I took all your pictures
Off the wall and wrapped
Them in a news paper blanket
I haven't slept in what seems
Like a century, and now I can
Barely breathe

## [Chorus]

Just like a crow chasing the butterfly dandelions lost in the summer sky When you and I were getting High as outer space, I never Thought you'd slip away I guess I was just a little too late

Your words still serenade me, Your lullabies won't let me sleep I've never heard such a haunting Melody. Oh, it's killing me You know I can barely breathe

## [Chorus]

Just like a crow chasing the butterfly dandelions lost in the summer sky When you and I were getting High as outer space, I never Thought you'd slip away I guess I was just a little too late

Just like a crow chasing the butterfly dandelions lost in the summer sky When you and I were getting High as outer space, I never Thought you'd slip away -

Like a crow chasing the Butterfly dandelions lost in the summer sky When you and I were getting High as outer space, I never Thought you'd slip away I guess I was just a little too late

Just a little too late
