

Shinhwa, To My Family (nah Ae Gahjohkaegae)

[This is dedicated to my family who's my life time
Friends and also my respectful teacher
Who taught me how to overcome all those obstacles in life
I love you the most you know what I mean?]
Who knows the most about me, who live and die for love for me
Who takes care of me, who's around me (say it again)
Who knows the most about me, who live and die for love for me
Who takes care of me, who's around me
