

# Shivaree, I Dont Care

I don't care you can do most anything  
I am on a string and you can lead me anywhere  
I'll go there willingly  
Some may say I'm for you to use and throw away  
Yeah that's what they say  
But they'll say most anything  
To keep you away from me

How much love loveable me  
How much more can you take from me  
You'll never go to sleep  
I'll swallow all your time  
Doesn't matter what you say  
'Cause you are mine mine mine

Seasons change  
They march through they leave wounds behind  
Years are so unkind but  
They could never rearrange  
They can't change what I see

How much love loveable me  
How much more can you take from me  
You'll never go to sleep I'll swallow all your time  
Doesn't matter what you say  
'Cause you are mine mine mine

Seasons change  
They march through they leave wounds behind  
Years are so unkind but they could never rearrange  
They can't change what I see  
What I see  
Anything anything  
I'll tell you what I'll do  
Anything anything  
All for you
