

# Shlash's Snakepit, Back And Forth Again

Now you've slipped away  
And found a place to stay  
Who do I congratulate  
But I'm happy for you  
Where are you today  
I sense that you're afraid  
And I don't know what to do  
I miss you, but what does it change  
This confusion feels the same  
Forget you and let you leave  
But I'm still thinkin' it through  
It's been the conflict between us  
That's kept me from sinking before  
You drove me crazy and I let you  
Come do it some more  
Put the past to bed,  
we've done it before  
Now we're back and forth again  
Can we help this pointless thing  
Swingin' like a hinge  
To the place we always meet  
There's nothing to say  
Except loneliness is strange  
Cause you wear the face  
That I never can leave  
And I know you're gonna call  
Cause you know just where I'll be  
Once you come and find me here  
I'll be happy for me  
So happy to be  
Not alone anymore  
We've done it before  
Now we're back and forth again  
Can we help this pointless thing  
Swingin' like a hinge  
To the place we always meet  
It's such a shame how little things  
Can change your minds  
Don't just sit there filing your nails  
And passing the time  
I can't let you bottle it up  
And take it too far  
Carrying all of that weight  
Is the hardest part  
Now we're back and forth again  
Can we help this pointless thing  
Swingin' like a hinge  
To the place we always meet  
Back and forth again  
Back and forth again  
Back and forth again  
Back and forth again
