

Showoff, Someone

A certain someone must be out there, waiting for a guy like me.
A certain girl who will be my best friend, and think about me constantly.
I'm searching for someone, who will always be with me.
I'm searching for someone, girl I think of you constantly.
Maybe it's you
I hope it's you
It's gotta be you.
A certain someone must be saying I will meet my love someday.
It's the same girl that I still dream of, and I don't even know her name.
In my head I can see the shadows form before my eyes and
In my head I can see love taking up a new disguise and
In my head I can see myself alone without the truth and
In my head I can also see my happiness in you- yeah.
Maybe it's you
I hope it's you
It's gotta be you.
