## Showoff, Someone

A certain someone must be out there, waiting for a guy like me. A certain girl who will be my best friend, and think about me constantly. I'm searching for someone, who will always be with me. I'm searching for someone, girl I think of you constantly. Maybe it's you I hope it's you It's gotta be you. A certain someone must be saying I will meet my love someday. It's the same girl that I still dream of, and I don't even know her name. In my head I can see the shadows form before my eyes and In my head I can see love taking up a new disguise and In my head I can see myself alone without the truth and In my head I can also see my happiness in you- yeah. Maybe it's you I hope it's you It's gotta be you.
