

# Shystie, Control It (ft. Azealia Banks)

I'll run up on a brother, whats age, whats ya name?  
Do you drive, what suit do you wear, where'd you stay?  
Do you stay with your mother, have you got your own place?  
What car do you drive, do you smoke, do you rave?  
Let me get into your mind, let me fuck with ya brain  
Come fuck with your girl, I'm the best what you saying?  
I'm the best what you saying, what size is ya feet?  
Is it just a myth, lemme judge, lemme see?  
Yo, lemme touch it up, hands on ya pants  
Rubbing on ya woody, woodpecker, pecking on ya pants  
Ima bad gyal villain, if I like then I wana  
Homewreck ya whole motherfucking house up proper

Na I'm playing, my mother raised this chick better  
Other bitches got the rabies  
Other bitches on their back or on fours getting dick  
They don't even know his name, but getting new laces wigs

Brand new weaves all down to their butt, in exchange letting niggas put it deep in their gut man  
I just wana fella that can give it to me good, no two minute shoulda coulda woulda, listen to me boy  
I just need a man with that good D game, love brain, I ain't fucking with you lames  
Spend all ya money on me hunny, whats ya range?  
Look I just wana live life fast in these lanes, got a taste for it

You got a taste for it? Come and taste it  
Strawberry milkshake all up in ya face bitch  
Slow down baby we ain't even got a race  
I just wana burst in ya face, ha ha

Na I just wana have some fun wid ya dude  
Sip until my rouge lipstick turns nude  
Sipping on that swag juice, get us in the mood

What u saying? Can you, can you come through?

Control it, work it, show me why you deserve this  
Control it, work it, show me why, can you show me why?  
Ooh, can you show me why?  
Show me why can you show me why?

[AZEALIA BANKS:]  
A mission you with the robot  
Lick, lick down and take it from the front  
I miss the details, make it look it ah  
Bring the female, fuck it and done  
Ah, ah, this is what you want  
?seems in the background, ?  
You getting, getting it?  
This what you asked on  
?spend all of his cash on,  
Fashion, the mermaid?

Control it, work it, show me why you deserve this  
Control it, work it, show me why, can you show me why?  
Ooh, can you show me why?  
Show me why can you show me why?

Whats ya flavor boy, tell me now, tell me can ya, turn me out  
Tell me are ya, bout it bout, if ya are, then I'm glad I found ya

Choke me, spank me, pull my hair /4x
