

Sia, Gimme Love

Gimme love
Gimme love
Gimme love
Gimme love

You don't wanna dance with me
But babe that's what I need
Please now just this once
Dance babe, dance baby

You don't wanna sing with me
But babe that's what I need
Please now just this once
Sing baby
Sing baby

Come now
Do this just for me
I don't ask for much
Gimme love, gimme love, gimme love, baby
Oh, please now
Do this just for me
I don't ask for much
Gimme love, gimme love, gimme love, baby
Please
Gimme love, gimme love, gimme love, baby
Please
Gimme love, gimme love, gimme love, baby

You don't wanna fight for me
But babe that's what I need
Please now just this once
Fight for me baby
Sing baby

Come now
Do this just for me
I don't ask for much
Gimme love, gimme love, gimme love, baby
Please now
Do this just for me
I don't ask for much
Gimme love, gimme love, gimme love, baby
Please
Gimme love, gimme love, gimme love, baby
Please
Gimme love, gimme love, gimme love, baby

Come now
Do this just for me
I don't ask for much
Gimme love, gimme love, gimme love, baby
Please now
Do this just for me
I don't ask for much
Gimme love, gimme love, gimme love, baby

Gimme love, gimme love, gimme love, gimme love
Gimme love, gimme love, gimme love
