

# Sia, Hey Boy (feat. Burna Boy)

Hey boy  
Watcha got me for  
Watcha got in store?  
Hay boy  
Damn you're so sexy  
Got me wanting more

Not going to be single  
Not tonight  
Am i going to be single all my life?  
I want you to stop and come on by  
Because you know  
What us single women like

Hey boy  
Watcha come around  
come around town  
hey hey boy

hay boy  
better run  
run now  
i say hay boy

when you pull up  
pul lup, pul lup  
in your hoopty ride boy,  
ok boy  
hey boy better run  
better run now  
i say hay boy
