

Sick Of Change, Can You See Me

Sharing What's On My Heart Has Put Much Pressure On Me
Because Every Thought I Write Down Is A Part Of Me The World Will See
What A Responsibility, Helping God Change Lives At The Age Of Seventeen

Will My Words Help The Pain?
God Only Knows Your Pain
And The Willing Hearts That You Can Change

My Own Life Is So Unclear To Me
Am I Ready For The World To See The Real Me
And All My Own Mistakes That Are Constantly Haunting Me
Revealing The Me In Me

Will My Faith Help Explain?
Only God Can Explain
The Endless Love That You Can Gain
