

# Sicko, A Song About A Rabbit

Good shot Peter  
I hope you go far  
cause there's a rabbit wearing coveralls playing in my front yard

you do the two step Peter  
and you make it look good  
cause there's a bear watching you from the edge of the hundred acre wood  
(the bear, he said)

Peter

in a snow storm Peter  
and two straight lines  
holding hands yellow hat red hair her name was Madeline  
(her name was Madeline)

Peter

I remember you Peter  
and all of the rest  
from the stories that a dreamy eyed baby boy loved the best

so in the moonlight Peter  
where the wild things sleep  
you and a boy in a wolf suit dancing by the side of the sea  
(they said...)
