

Sidewalks and Skeletons, CICATRICE

Suspended by inheritance
They imposed my penalty
Disease in their chronicle
My ancestry, your majesty
Mannerism left a cicatrice

My memories made of porcelain

Lunacy veiled in verity
Affliction feeds my enemy
They bred a stillborn race
My ancestry, your majesty
Mannerism left a cicatrice

My memories made of porcelain

Laved in tears, my cicatrice
Laved in tears, my cicatrice
Laved in tears, my cicatrice
Laved in tears, my cicatrice
