

# Sidewalks and Skeletons, CICATRICE

Suspended by inheritance  
They imposed my penalty  
Disease in their chronicle  
My ancestry, your majesty  
Mannerism left a cicatrice

My memories made of porcelain

Lunacy veiled in verity  
Affliction feeds my enemy  
They bred a stillborn race  
My ancestry, your majesty  
Mannerism left a cicatrice

My memories made of porcelain

Laved in tears, my cicatrice  
Laved in tears, my cicatrice  
Laved in tears, my cicatrice  
Laved in tears, my cicatrice
