Sidewalks and Skeletons, CICATRICE

Suspended by inheritance They imposed my penalty Disease in their chronicle My ancestry, your majesty Mannerism left a cicatrice

My memories made of porcelain

Lunacy veiled in verity Affliction feeds my enemy They bred a stillborn race My ancestry, your majesty Mannerism left a cicatrice

My memories made of porcelain

Laved in tears, my cicatrice Laved in tears, my cicatrice Laved in tears, my cicatrice Laved in tears, my cicatrice
