## Sidewalks and Skeletons, HAUNT YOU [Interlude

There she was, around your neck All she can touch is held together There she was, around your neck All she can touch is held together

There she is now, there she is now And yet we used to talk, used to talk All our discussion and yet Yet we see her

There she was, around your neck All she can touch is held together There she was, around your neck All she can touch is held together

There she is now, there she is now And yet we used to talk, used to talk All our discussion and yet Yet we see her
