

Sidewalks and Skeletons, I Can't Feel You

[Sample from Twin Peaks: Fire Walk With Me]

[Donna]

Do you think that if you were falling in space
That you would slow down, after a while
Or go faster and faster?

[Laura]

Faster and faster
And for a long time, you wouldn't feel anything
And then, you'd burst into fire
Forever
And the angels wouldn't help
As they've all gone away
