

# Sigala, Melody

La-la-la-la-la-la-la, la-la-la-la-la-la  
La-la-la-la-la-la-la, la-la-la-la-la-la

We could do this all night, we could see the sun rise  
Oh yeah, oh-oh yeah  
This is what it feels like, fallin' for the first time  
Oh yeah, oh-oh yeah

Let's lose control from our head to our toes  
Now you don't have to be alone  
Look at the time, tell me, where did it go?  
I don't wanna go home

We'll be dancing till nirvana, moonlight leads the way  
I hear a thousand songs but you're the only melody  
If we're dancing till tomorrow, need you next to me  
I hear a thousand songs but you're the only melody

La-la-la-la-la-la-la, la-la-la-la-la-la  
La-la-la-la-la-la-la, la-la-la-la-la-la  
La-la-la-la-la-la-la, la-la-la-la-la-la  
La-la-la-la-la-la-la, la-la-la-la-la-la

We'll be dancing till nirvana, moonlight leads the way  
I hear a thousand songs but you're the only melody  
If we're dancing till tomorrow, need you next to me  
I hear a thousand songs but you're the only melody  
La-la-la-la-la-la

Whisper to me real slow, I don't wanna let go  
Oh yeah, oh-oh yeah  
It just went out into, help me sing it in tune  
Oh yeah, oh-oh yeah

Let's lose control from our head to our toes  
Now you don't have to be alone  
Look at the time, tell me, where did it go?  
I don't wanna go home

We'll be dancing till nirvana, moonlight leads the way  
I hear a thousand songs but you're the only melody  
If we're dancing till tomorrow, need you next to me  
I hear a thousand songs but you're the only melody

La-la-la-la-la-la-la, la-la-la-la-la-la  
La-la-la-la-la-la-la, la-la-la-la-la-la  
La-la-la-la-la-la-la, la-la-la-la-la-la  
La-la-la-la-la-la-la, la-la-la-la-la-la

We'll be dancing till nirvana, moonlight leads the way  
I hear a thousand songs but you're the only melody  
If we're dancing till tomorrow, need you next to me  
I hear a thousand songs but you're the only melody  
La-la-la-la-la-la
