

Sigma, Can't Get Enough (ft. Taet)

Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na

Lately, oh baby, we ain't been the same
Sleeping without you, I call out your name
Try but I can't seem to cut you out of the picture, oh

We're in and we're out, up and we're down
Back and we're forth, crazy
Up in the clouds, spinning around
Running around, why do we make it complicated?
Yeah, why do we make it complicated?
Oh-oh-oh-oh

For a minute we were out of touch
For a minute we were out of love
For a minute we were giving up
But I miss you, I need you, I can't get enough

For a minute we were out of it
For a minute we were lost somewhere
For a minute we were out of gas
But I miss you, I need you, I can't get enough

Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na (I can't get enough)
Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na

Backwards and forwards, we love and we hate
Why do we do this? There's no one to blame
Try but I can't seem to cut you out of the picture

We're in and we're out, up and we're down
Back and we're forth, crazy
Up in the clouds, spinning around
Running around, why do we make it complicated?
Yeah, why do we make it complicated?
Oh-oh-oh-oh

For a minute we were out of touch
For a minute we were out of love
For a minute we were out of gas
But I miss you, I need you, I can't get enough

I can't get enough

Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na (I can't get enough)
Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na
Na-na, na-na-na-na, na-na na-na (I can't get enough)
