

Sigrid, Don't Feel Like Crying

i know i should be ordering takeouts
sitting on my couch, that's what you do
I know I should be all in my feeling
staring at the ceiling
but here's the truth

wallowing in it would be such a waste
that isn't gonna fix it anyway
no!

I dry my eye's cause I don't feel like crying
at least tonight
no,
I don't feel like crying

hope you don't blame me
for what I am saying
my heart is aching
do you feel it too?
I hope you understand that I am dealing
it's my way of healing
but here is the truth

wallowing in it would be such a waste
that isn't gonna fix it anyway
no!

I dry my eye's cause I don't feel like crying
at least tonight
no,
I don't feel like crying

it hasn't hit me yet
and I know if I go home
I am gonna get upset
it hasn't hit me yet
and I know if I go home
I am gonna get upset
it hasn't hit me yet
and I know if I go home
I am gonna get upset
at least tonight
no I don't feel like crying

wallowing in it would be such a waste
that isn't gonna fix it anyway
no!

I dry my eye's cause I don't feel like crying
at least tonight
no,
I don't feel like crying

it hasn't hit me yet
and I know if I go home
I am gonna get upset
it hasn't hit me yet
and I know if I go home
I am gonna get upset
it hasn't hit me yet
and I know if I go home
I am gonna get upset
at least tonight
no I don't feel like crying
