

Siickbrain, Power (ft. Pussy Riot)

[Verse 1: Siickbrain]

Social reject, isolated
Come close, suffocate me
Unlocked my front door, I want more
Face down, my mouth on the fucking floor
Hurt me, I'll hurt back
Just like this, just like that
Red light, it's green, let's go fast
Black out, no drinks, it's like that

[Pre-Chorus: Siickbrain]

Oh yeah then why you act so tough?
Freak out and I didn't even touch
Lean in it's a flavor and it tastes so sour

[Chorus: Siickbrain]

Fucked up, scream a bit louder
Is it wrong? I want back some power
Is it wrong? I want back some power
Is it wrong? I want back some power
Is it wrong? I want back some power
Is it wrong? I want back some power
Is it wrong? I want back some power
(Is it wrong? I want back some power)

[Verse 2: Siickbrain]

Hurt me, I'll hurt back
Just like this, just like that
Red light, it's green, let's go fast
Black out, no drinks, it's like that

[Pre-Chorus: Siickbrain]

Oh yeah then why you act so tough?
Freak out and I didn't even touch
Lean in it's a flavor and it tastes so sour

[Bridge: Pussy Riot]

Захватываю власть перед тобой не извиняюсь (извиняюсь)
Не надо мне мешать я за себя не отвечаю (отвечаю)
Захватываю власть я президентка отвечаю (отвечаю)
Запомнишь мою pussy она тут устроит райот
Моя власть
Я за себя не извиняюсь
Все летит в пизду
Моя pussy решает
Моя власть
Я за себя не извиняюсь
Все летит в пизду
Моя pussy решает

[Chorus: Siickbrain]

Fucked up, scream a bit louder
Is it wrong? I want back some power
Is it wrong? I want back some power
Is it wrong? I want back some power
Is it wrong? I want back some power
Is it wrong? I want back some pow-pow
Is it wrong? I want back some power
(Is it wrong? I want back some power)
Is it wrong? I want back some power
Is it wrong? I want back some power
Is it wrong? I want back some power
(Is it wrong? I want back some power)

[Outro]

Want back some power?

Power
Want back some power?
Power
