## Silje Nergaard, Do Nothing Till You Hear From M

Do nothing till you hear from me Pay no attention to what's said Why people tear the seam of anyone's dream Is over my head

Do nothing till you hear from me At least consider our romance If you should take the word of others you've heard I haven't a chance

True, I've been seen with someone new But does that mean that I'm untrue? When we're apart, the words in my heart Reveal how I feel about you

Some kiss may cloud my memories And other arms may hold a thrill But please do nothing till you hear it from me And you never will

True, I've been seen with someone new But does that mean that I'm untrue? When we're apart, the words in my heart Reveal how I feel about you

Some kiss may cloud my memories And other arms may hold a thrill But please do nothing till you hear it from me And you never will Oh please do nothing till you hear it from me And you never will
