Silje Nergaard, What's New

What's new How is the world treating you You haven't changed a bit Handsome as ever I must admit

What's new How did that romance come through We haven't met since then Gee but it's nice to see you again

What's new Probably I'm boring you But seeing you is grand And you were sweet to offer your hand

I understand, I do Pardon my asking what's new Of course you couldn't know I haven't changed I still love you so
