

# Silk, Please Don't Go

Please don't go  
Away from me  
Never leave  
Oh no

Please don't go  
Say you'll love me so  
So I will know  
Baby, please don't go

If I could just explain  
The death of all my name  
My tears would fall like rain, oh

But you don't understand  
Don't believe it hurts a man  
Oh no, oh no

1 - Please don't go  
Don't take your love from me  
Just say you'll never leave  
Just promise and believe

Please don't go  
Just say you'll love me so  
So love me then I'll know  
That you will never go  
Baby please don't go

If I could keep you near  
You would love me with out fear  
And live a thousand years  
Yes we would  
But you said you want to go  
And why, I do not know  
Oh no, oh no

Repeat 1

No no no no no no  
Don't go baby  
No no no no no no  
Please  
No no no no no no  
Please don't go

Say you love me baby  
Say you'll stay  
Don't go

Repeat 1 with ad libs until fade
