

Silos, Margaret

Margaret
by the Silos, from _Cuba_

Margaret goes to bed around 8
I got to bed around 1
Margaret gets up at 6
I get up at 6

-- chorus

Four days a week
and you're a family
four days a week
fortunes
oh Margaret!

Margaret is willing to share her food
share her thick brown hair
Margaret is willing to share her toys
share her deep brown eyes

(chorus)

Sundown (slide guitar)
and the clouds cover up the stars
what now
but before she close her eyes
it all comes out
she speaks all the words she knows
her lungs so small, her breath so warm

Margaret goes to bed around 8
I got to bed around 1
Margaret gets up at 6
I get up at 6

(chorus
