Silver Sun, Animals Feet

How you bloody shame on the bus Your trousers come undone Throw another groupie on the fire Cup of tea and a slice of desire I fed fly, she bell dry Finish the jungle book, home soon (chorus) And there were drugs, drugs in the seats Beneath the animals, the animal's feet's There were drugs, drugs in the seats Beneath the animals, the animal's feet's High time yes for less low life Please no babies, jsut be the wife Give up and return to the plan In another, in another land Seed of doubt that grows let it out Don't feel small at all, at all (repeat chorus) And look at the mess that we are in No longer looking thin Ready bin water will shine I cried and I cried and I cried and I cried party like a jar, like a can What flavour, am
