

Simple Plan, Song about Poland (Stodo

We are in Polska
And the girls are fuckin' hot!
We like your polish ketchup
We have to go to old town
We're going up tonight
Until the sun comes up
And everyone's invited
Cause we are in Poland!
(Warszawaaa...)
Simple Plan loves you (all of you!)
I really wanna do you (all of you!)
I love you Poland!
Oh yeah Polska (Polska...)
