

# Simple Plan, Vacation

i know a girl who's obsessed with a guy  
she talks for hours and still tomorrow  
she'll call again and when he thinks that this could be the end,  
she calls again  
at six in the morning she waits at the door  
he tells her to leave but still tomorrow she'll be there again  
she won't let go

can't you just go somewhere on vacation?  
i could book your flight  
and pack your bags  
if you want  
a one way ticket out of my life  
watching you fly away  
i never liked you

she doesn't care if he tries to ignore  
he runs away but still she follows  
she'll try again  
she likes to think she'll get him in the end  
yeah

can't you just go somewhere on vacation?  
i could book your flight  
and pack your bags  
if you want  
a one way ticket out of my life  
watching you fly away  
i never liked you  
i never wanted you  
i never liked you  
i never wanted you, whoa

can't you just go somewhere on vacation?  
i could book your flight  
and pack your bags  
if you want  
a one way ticket out of my life  
watching you fly away  
i never liked you  
i never wanted you  
i never liked you  
i'm not in love with you
