

# Sir Mix-A-Lot, Baby Got Back (Bass Remix)

Oh, oh, oh my god  
Becky, look at her butt  
I like big  
I like big  
I like big butts and I cannot lie  
Big butts and I cannot lie  
Big butts and I cannot  
Butts and I cannot  
Butts, butts, butts, butts,  
butts and I cannot lie  
I like em round and big  
I like em round and big  
I like em round and big  
I like em round and big  
Big butts and I cannot lie  
You other brothers can't deny  
That when a girl walks in with an itty bitty waist  
And a round thing in your face  
You get sprung  
Wanna pull up tough  
Cause you notice that butt was stuffed  
Deep in the jeans she's wearing  
I'm hooked and I can't stop staring  
Oh, baby I wanna get with ya  
And take your picture  
My home boys tried to warn me  
But that butt you got  
Makes me so horny  
Ooh, ooh, ooh, rump of smooth skin  
You say you wanna get in my Benz  
Use me, use me you aint that average groupy  
I've seen her dancing  
To hell with romancing  
She's sweat, wet, got it going like a turbo vette  
I'm tired of magazines  
Saying flat butts are the thing  
Take the average black man and ask him that  
She gotta pack much back  
So Fellas (yeah) Fellas (yeah)  
Has your girlfriend got the butt (hell yeah)  
Tell them to shake it, (shake it), shake it, (shake it), shake that big old butt  
Baby got back  
(LA face with the Oakland booty)  
Baby got back  
(LA face with the Oakland booty)  
(LA face with the Oakland booty)  
I like em round and big  
And when I'm throwing a gig  
I just can't help myself  
I'm acting like an animal  
Now here's my scandal  
I wanna get you home  
And UH, double up UH, UH  
I aint talkin about playboy  
Cause silicone parts are made for toys  
I want em real thick and juicy  
So find that juicy double  
Mix A Lot's in trouble  
Begging for a piece of that bubble  
So I'm looking at rock videos  
Knock kneed bimbos walking like hoes  
You can have them bimbos  
I'll keep my women like Flo Jo  
A word to the thick soul sistas

I wanna get with ya  
I won't cuss or hit ya  
But I gotta be straight when I say I wanna fuck  
Till the break of dawn  
Baby got it going on  
A lot of simps won't like this song  
Cause them punks like to hit it and quit it  
And I'd rather stay and play  
Cause I'm long and I'm strong  
And I'm down to get the friction on  
So Ladies (yeah), Ladies (yeah)  
Do you wanna roll my Mercedes (yeah)  
Then turn around  
Stick it out  
Even white boys got to shout  
Baby got bass  
Baby got back  
So your girlfriend rolls a Honda  
Playing workout tapes by Fonda  
But Fonda ain't got a motor in the back of her Honda  
My anaconda don't want none unless you've got buns hun  
You can do side bends or sit-ups, but please don't lose that butt  
Some brothers wanna play that hard role  
And tell you that the butt ain't gold  
So they toss it and leave it  
And I pull up quick to retrieve it  
So Cosmo says you're fat  
Well I ain't down with that  
Cause your waste is small and your curves are kicking  
And I'm thinking about sticking  
To the beanpole dames in the magazines  
You aint it miss thing  
Give me a sista I can't resist her  
Red beans and rice did miss her  
Some knucklehead tried to dis  
Cause his girls were on my list  
He had game but he chose to hit them  
And I pull up quick to get with them  
So ladies if the butt is round  
And you wanna triple X throw down  
Dial 1-900-MIXALOT and kick them nasty thoughts  
Baby got back  
Baby got back  
Shake that bottom  
I like em round and big  
I like em round and big  
I like em round and big  
I like em round and big  
Baby got ass, bass
