

Sister Hazel, Best I'll Ever Be

I miss you
I miss being overwhelmed by you
And I need rescue
I think I'm fading away
But I keep thinking that you'll wake me up with a whisper in my ear
I keep hoping that you'll sneak in my room

So I wait and I wait
And I run old scenes through my tired head
Of the days we laid by the school and said forever
Was that the best I'll ever be

I miss you
I miss talking all night long with you
And I need this to find a way to your home
My love can you hear me
Have I been hoping loud enough, wishing hard enough
Can you see me when I'm asleep all alone - alone

So I wait and I wait
And I run myself in the same old circles
I sit and I stare
And I run old scenes through my tired head
Of the days that we laid by the school and said forever
Was that the best I'll ever be

Can't keep my hands from shaking
Stumbling through the wreckage again
But you're gone

So I wait and I wait
And I run myself in the same old circles
And I sit and I stare
And I run old scenes through my tired head
Of the days that we laid on our backs and said forever
Was that the best I'll ever be
Was that the best I'll ever be
Was that the best I'll ever be
