Sisters Of Mercy, Blood Money

Flesh) (Bone)

(Splinters on the telephone)

(Whispers)

Bullet in the head

Down

Head

Down

Got power to burn

Got means

Got flowers to burn

Between those pretty dreams

Hold out for cover

Hold out your hands to me

For...

Blood, blood money

Blood, blood money, money, money, money

(Kiss...)

Children.....kiss the ring Children.....kiss the blade

Blood, blood money

Blood, blood money, money, money, money

Which hand holds your hand?

holds?

Blood, blood money

Blood, blood money, money, money, money
