Sisters Of Mercy, Body And Soul

All your hidden faces Your seven veils unfold Give me forbidden places All your tales untold Give me ever and always

Ever and always Body and soul

Heaven and hope eternal Over your heart of gold

Sun and sunset

Burning in the flame you hold

Ever and always

Give me ever and always

Body and soul

Yesterday

Today

Tomórrow

Body and soul

Give me ever the years you wept inside when cold

All the sins and secrets never cried

All the dreams you kept and the tears you sold

Give me

Give me ever and always

Ever and always

Body and soul

Your heart

Your mind

Your body and soul
