

# Sisters Of Mercy, Emma

We were together since we were five  
She was so pretty  
Emma was a star in everyone's eyes  
And when she said she'd be a movie queen  
Nobody laughed  
With her face like an angel  
She could be anything  
Emmaline  
Emma  
Emmaline  
I'm gonna write your name high on the silver screen  
Emmaline  
Emma  
Emmaline  
I'm gonna make you the biggest star this world has ever seen  
At seventeen  
We were wed  
And I worked hard to earn our daily bread  
And every day  
Emma would go out searching for that play  
That never, ever came her way  
And sometimes she come home and she'd be so depressed  
I'd hear her crying in the back room and be so distressed  
And I'd remember back when she was five  
To the words that used to make Emmaline come alive  
It was...  
Emmaline  
Emma  
Emmaline  
I'm gonna write your name high on the silver screen  
Emmaline  
Emma  
Emmaline  
I'm gonna make you the biggest star this world has ever seen  
It was a cold and dark December night  
When I opened up the bedroom door  
To find her lying  
Cold and still upon the bed  
A love letter lying on the bedroom floor  
IT read,  
Darling I love you  
But I just can't keep living on dreams no more  
I've tried so hard not to leave you alone  
But I just can't keep trying no more  
Emmaline  
Emma  
Emmaline  
I'm gonna write your name high on the silver screen  
Emmaline  
Emma  
Emmaline  
I'm gonna make you the biggest star this world has ever seen
