Sisters Of Mercy, Lucretia My Reflection

" I Was Wrong" - Vision Thing - Sisters Of Mercy you say stay and never leave you say meant for ever I could believe you, but I don't you say we're almost all alone together all alone you say you say you will I know you won't I was wrong I was wrong to ever doubt I can get along without I can love my fellow man but I'm damned if I'll love yours in a bar that's always closing in a world where people shout I don't wanna talk this over I don't wanna talk it out I was quite impressed until I hit the floor isn't that what friends are for? pain looks great on other people that's what they're for I was wrong I was wrong to ever doubt I can get along without I can love my fellow man but I'm damned if I'll love yours you say stay and never leave you say meant for ever I could believe you but I don't you say we're almost all alone together you say you say you will I know you won't I was wrong I was wrong to ever doubt I can get along without I can love my fellow man but I'm damned if I'll love yours in a bar that's always closing in a world where people shout I don't wanna talk this over I don't wanna talk it out I was guite impressed until I hit the floor isn't that what friends are for? pain looks great on other men that's what they're for I was wrong I was wrong to ever doubt I can get along without I can love my fellow man but I'm damned if I'll love yours by Andrew Eldritch Copyright 1990 EMI Records Ltd.
