

Sizzla, Somehow

[Intro:]

Wah recoil!

Testing,testing,1 2 3 4 5

Seal ah sever

Love anointing

Ten commandment

Whoa yah!

Sizzla Kalonji with de bigger judgement uh-nuh!

Wide worldwide!

Ah-hah!

[Chorus:]

'Cause somehow Jah-Jah jus' keep on blessing this place

Somehow Ras Tafari jus' keep on showing us his love and his grace

Somehow Jah-Jah jus' keep on blessing this place

Somehow Ras Tafari jus' keep on showing us his face

[Verse 1:]

When I'm cruising through,moving through

I consider the little children need new clothes and shoes

I consider the little children need education and food

'Cause I've got the strength,and I've got the vibes

I've got my children and my beautiful wife

Life is for love,life is for living

The blessing from above is so much,I keep giving

He created the Heaven and the Earth;let us enjoy it!

Praise Selassie and don't destroy it,whoa!

[Chorus:]

'Cause somehow Jah-Jah jus' keep on blessing this place

Somehow Ras Tafari keep showing us all his love and his grace

Somehow King Selassie I jus' keep on blessing Mama Africa,oh-yay!

Somehow Ras Tafari jus' keep on oooh!...oh-yay-yay!

[Verse 2:]

Things and time is so tempting,what's the words from your mouth?

Pocket is empty! still we can work something out

Don't know where the next dime coming from,yet we've got lyrics jumping out

The people I grew up with,I keep on helping out

Say my prayers because Jah will provide

Your system is so hard,me nah go commit no murder nor suicide

Till the soil and...give thanks for my life

Jah gonna bless me,he's my guide

Oh-yay! don't you deprive

You got to open up your eyes

Checking it simple

Should never you go despise

[Chorus:]

'Cause somehow Jah-Jah jus' keep on blessing this place

Somehow Ras Tafari keep on showing us his love and his grace

Somehow Jah-Jah jus' keep on...blessing our place

Yeah-hoo!

Oh-uh,oh-uh,yah-hoo!

Hey hey hey hey hey hey!

(Riddim alone continues)

Hey hey hey hey hey hey!

Ha ha ha ha!

Yahh!

Hey hey hey hey hey!

[Verse 3:]

I got to be strong and share the little what me have

Ah wish yuh good,so why yuh want to wish me bad?

Why is it yuh boast? why is it yuh brag?
Feed the youth and give thanks unto Jah

[Chorus:]

'Cause somehow Jah-Jah jus' keep on blessing this place
Somehow Ras Tafari jus' keep on showing us his love and his grace
Somehow Ras Tafari jus' keep on showing us his face
Somehow The Most High...Most High keep defending the faith

[Verse 1:]

When I'm cruising through or moving through
repeated I consider the little children need clothes and shoes
I consider the little children need education and food
'Cause I've got the strength, and I've got the vibes
I've got my children and my beautiful wife
Ey! life is for love, life is for living
The blessing from above is so much, so I keep giving
Jah created the Heaven and the Earth, so enjoy it
And don't you destroy it, whoa-yeah...
