

Skankin' Pickle, Special Brew

[Originally by Bad Manners]

I love you, yes I do, 'cause I know that you love me too
I love you , yes I do, gonna spend all my money on you
Everyday , when I say , that I'm not gonna take any more
Its okay, don't go away, I'll be back when you're closing the door

I need some more to restore all the feelings that I get from you
And I want more, give me more, all I want is a barrel of you
I love you, yes I do, 'cause I know that you love me too
I love you, yes I do, gonna spend all my money on you

And I don't care when they stare at the way that I'm always with you
We're a pair, its not fair when they say we're a special crew

I love you, yes I do, 'cause I know that you love me too
I love you , yes I do, gonna spend all my money on you
Everyday , when I say , that I'm not gonna take any more
Its okay, don't go away, I'll be back when you're closing the door

And I love you, yes I do, 'cause I know that you love me too
