

# Skeeter Davis, Didn't I

Didn't I try hard enough to understand your way  
Didn't I stay strong enough through all stormy days  
Like I'd be clinging to our little house so close were you and I  
Then came the day you just walked away and I lost you didn't I  
Didn't I kiss you often enough didn't I hold you tight  
Didn't I say I love you each time we said goodnight  
Darling please tell me what I didn't do cause I tried so hard to make you see  
But above everything in this world you were all that was meant for me  
And you know I've thought I was all you wanted in fact you've told me so  
But I guess I failed somewhere along the way  
But just where I failed I'd give my life to know  
Didn't I kiss you often enough didn't I hold you tight  
Didn't I say I love you each time we said goodnight  
Like I'd be clinging to our little house so close were you and I  
Then came the day you just walked away and I lost you didn't I
